BETWEEN

SEA BREEZE FARMS

AND

UNITED FARM WORKERS OF AMERICA, AFL-CIO
PARTIES

This Agreement and Supplemental Agreements attached hereto are between SEA BREEZE FARMS, hereafter called "the Company" and the UNITED FARM WORKERS OF AMERICA, AFL-CIO hereafter called "the Union". The parties agree as follows:

ARTICLE 1: RECOGNITION

A. The Company does hereby recognize the Union as the sole labor organization representing all of the Company's agricultural employees (hereinafter called "workers") in the unit set forth in Agricultural Labor Relations Board's certification in case number 78-RC-5-X. In the event the Agricultural Labor Relations Board certifies other employees not here included within the certified unit, such additional employees shall be included under the terms of this Agreement. The term "worker" shall not include office and sales employees, security guards, designated family employees and supervisory employees who have the authority to hire, transfer, suspend, layoff, recall, promote, discharge, assign, reward or discipline other workers or the responsibility to direct them or adjust their grievances, or effectively recommend such action, if, in connection with the foregoing, the exercise of such authority is not of a merely routine or clerical nature but requires the use of independent judgment.

B. The Company agrees that no business device including joint ventures, partnerships or any other forms of agricultural business operations shall be used by the Company for the purpose of circumventing the obligations of this Agreement.

C. The Company further recognizes the rights and obligations of the Union to negotiate wages, hours and conditions of employment and to administer this Agreement on behalf of covered workers.

D. Neither the Company nor its representatives will take any action to disparage, denigrate or subvert the Union. Neither the Union nor its representatives will take any action to disparage, denigrate or subvert the Company.

E. Neither the Company nor its representatives will interfere with the right of any worker to join and assist the Union. The Company will make known to all workers that they will secure no advantage, nor more favorable consideration nor any form of special privilege because of non-participation in Union activities.

F. The Company will make known to all workers, supervisors and officers, its policies and commitments as set forth above with respect to recognition of the Union and will not discourage workers in the bargaining unit from giving utmost consideration to
supporting and participating in collective bargaining and contract administration functions.

ARTICLE 2: UNION SECURITY

A. Union membership shall be a condition of employment. Each worker shall be required to become a member of Union immediately following five (5) continual days after the beginning of employment, or five (5) days from the date of the signing of this Agreement, whichever is later; and to remain a member of Union in good standing. Union shall be the sole judge of the good standing of its members. Any worker who fails to become a member of Union within the time limit set forth herein, or who fails to pay the required initiation fee, periodic dues or regularly authorized assessments as prescribed by Union, or who has been determined to be in bad standing by Union pursuant to the provisions of the Union's constitution, shall be immediately discharged upon written notice from Union to Company, and shall not be re-employed until written notice from Union to Company of the worker's good standing status.

B. Company agrees to furnish to Union in writing, within one (1) week after the execution of this Agreement, a list of its workers giving the names, addresses, Social Security numbers and type of job classification.

C. Company agrees to deduct from each worker's pay initiation fees, all periodic dues, and assessments as required by Union, upon presentation by the Union of individual authorization signed by workers, directing Company to make such deductions. Company shall make such deductions from worker's pay for the payroll period in which it is submitted, provided that it is submitted in advance of the close of the pay period, and periodically thereafter as specified on authorization so long as such authorization is in effect and shall remit monies weekly. The Company shall provide a monthly summary report as soon as possible, but not later than twenty days (thirty days for the first three months after the date of execution of this Agreement) after the last pay period in the previous month, containing the names of the workers, Social Security numbers, payroll periods covered, gross wages, total hours worked per worker, total number of workers and amount of Union dues deducted during such pay periods from each worker. Union will furnish the forms to be used for authorization and will notify the Company in writing of dues, assessments and initiation fees within five (5) days of the execution of this Agreement and five (5) days before the effective date of any change.

D. The Union will furnish the Company with membership and authorization forms. If the Company procures workers from "any other source" as provided in Article 3 the Company will explain the membership and deduction authorization arrangements between the
Company and the Union at the time of hiring new workers. The Company will be responsible to cause such workers to sign the membership and authorization forms not later than immediately following five days of the beginning of employment. The Company will immediately give a copy of the authorization form to the worker, retain a copy for its use pursuant to Section C above, and promptly turn over per arrangement the other copy along with the membership application to the Union area office.

E. Union shall indemnify and hold Company harmless from and against any and all claims, demands, suits or other forms of liability that may arise out of or by reason of action taken by Company for the purpose of compliance with any of the provisions of this Article.

ARTICLE 3: HIRING

A. The Union shall operate and maintain a facility whereby Company may secure new or additional workers. The Union will notify Company of the address and phone number of each facility nearest each operation of the Company and the name of the person in charge of the facility.

B. Company recalls of seniority workers shall be pursuant to Section C of Article 4. Workers returning to work on recall shall check in with the Union Steward or other Union representative on the job site to verify the worker's name is on the seniority list before commencing work.

C. Whenever at the beginning of any operating season in any area of operation of the Company, the Company anticipates the need for new or additional workers to perform any work covered by this Agreement, the Company shall, at least two (2) weeks prior to the date of anticipated need for such workers, notify the facility of the Union designated in Section A in writing, stating the number of workers needed, the type of work to be performed, the estimated starting date of the work and the approximate duration thereof. The Company shall notify the Union promptly of any change in estimated starting date; however, the Company shall give to the Union the exact starting date no later than twenty-four (24) hours prior to the actual date for commencement of the work.

D. In the event, during the operating season in any area of Company operations, new or additional workers are needed to perform work covered by this Agreement, the Company shall notify the Union facility designated in Section A of the number of workers needed, the type of work to be performed, the date the workers are needed, and whether the work is temporary or permanent. The Union shall be given forty-eight (48) hours notice or as far in advance as reasonably possible.
E. When workers are requested of the Union, Union shall use its best efforts to furnish the requested number of workers, and the Union shall promptly notify the Company if it is unable to comply with any Company request for workers. If the Union does not furnish the requested number of workers on the date requested, the Company shall be free to procure needed workers not furnished by the Union from any other source. If the Company secures workers under the provisions of this paragraph, the Company will make available to Union, in writing within five (5) days thereafter, the names, Social Security numbers, date hired and job classifications of all workers so hired, provided however, that the Union shall be entitled, acting on its own, to ascertain such information from such workers at any time after twenty-four (24) hours following the hiring of such workers, provided further, that work is not interrupted. Grievances relating to this paragraph shall be subject to the expedited grievance and arbitration procedure.

F. When Company requests workers from the Union facility for jobs which require skills or experience (such as tractor drivers, irrigators) the Union will refer workers who meet the job requirements. Before the Company makes a determination that a referred worker does not meet the job requirement, the supervisor will fully explain the job duties and requirements and give the worker a reasonable time (which need not exceed one day) to meet the job requirements. Discharges shall be subject to the procedure of Article 8 - Discipline and Discharge.

G. It is essential that the Union has advance notice of any layoff, so it may plan utmost utilization of available workers. Accordingly, the Company will notify Union seven (7) days in advance of any layoff, or as soon as possible, prior to any layoff.

H. In the event that it is necessary to layoff workers before they acquire seniority, it is understood that if such workers are referred or dispatched by the Union to the Company, that such workers will be given work opportunity by the Company on the same basis as any other non-seniority worker.
ARTICLE 4 SENIORITY

Seniority shall be defined as the total length of continuous service with the Company. A break in service terminates worker seniority. Layoffs are not considered a break in service. There shall not be layoffs for the purpose of circumventing acquisition of seniority.

B. Seniority shall be broken for the following reasons only:

1. Voluntary quitting.
2. Discharge for just cause.
3. When on layoff fails to report within three (3) working days after being called unless satisfactory reasons are given.

5. When any worker leaves the bargaining unit to accept a supervisory or other position with the Company outside the bargaining unit.
6. Any worker rehired after loss of seniority as provided above shall establish a new seniority date as provided in Sec. A above.

C. The classifications of workers shall be as designated on appendix "A" attached hereto and by this reference made a part hereof. The filling of vacancies, new jobs, promotions or increased work opportunities within the bargaining unit, demotions and reductions in classification shall be on the basis of seniority, provided, however, the worker is able to do the work. In such cases, the supervisor will fully explain the job duties and requirements, and give the worker a reasonable time to meet the job requirements.

Whenever there is a layoff in the work force in any job classification, layoffs shall be by seniority order, with the workers with
the lowest seniority laid off first.

Workers reduced in classification or laid off from any classification upon restoration of work force or recall shall return in seniority order, with the workers with the highest seniority being recalled first to the classification from which they were reduced or laid off. If the case arrives were more than one worker has the same hiring date, the worker with the highest last for (4) digits in his/her Social Security number shall have the higher seniority.

Whenever a permanent vacancy occurs in any classification, with a rate above general field and harvesting, such vacancy shall be posted on the Company's bulletin boards. A copy of such posting shall be provided the Ranch Committee and the Union. The posting shall be made at least ten days before the vacancy is permanently filled. Workers with seniority desiring consideration for the higher rated job will so indicate by signing the posting. The senior worker, in accordance with Section C above, shall be selected for the vacancy and he shall be given a fair opportunity to qualify. If such worker cannot perform the job, he shall return to his former classification and rate and the Company will then select the next senior worker who had signed the posting and he shall be given a fair opportunity to qualify. Selection and training for those workers applying for the position shall be as set forth in Section C above.

The Company will fill temporary vacancies, such as during the posting period or those created by a worker's short-term illness, injury or other temporary absence which are not subject to posting, so far as possible, with seniority workers.

The Company shall prepare up-to-date seniority lists, showing the name of each worker, his seniority date, social security number, and job classification, which shall be posted on the Company bulletin board as follows:
the seniority lists (the first of which shall be approved and signed by Company and Union concurrently with the execution of this Agreement and as a condition to the efficacy of this Agreement) shall be posted within five days after the execution of this Agreement and thereafter every three months for a period of two weeks, and the Union shall also be given a copy of each of said seniority lists. All seniority lists, including without limitation the first, shall be prepared from and based on the Company's payroll records. If questions arise concerning the accuracy of the lists the Union and Company have up to two weeks after the posting is completed to resolve the dispute. If the dispute remains after two weeks, any unresolved matters relating to the seniority lists shall be submitted to expedited arbitration.

The Company, when anticipating the recall of seniority workers, shall notify the worker and the Union, not less than two weeks prior to the estimated starting date of the work, and the approximate duration thereof. All notices of recall shall be in writing as per attached form in Appendix B of this agreement. All notices shall be mailed First Class with copies provided to Union. When recall letters sent to workers, are returned to Company with Postal Service notification of non-delivery, the Union shall be notified of workers name and the address from which letter was returned. The Company shall make available to Union any returned letter and envelope upon request. The Company shall then notify the worker through the facility of the Union designated in Section A of Article 3 when to report for work, allowing reasonable time to report.

The Company shall notify the Union within five working days of seniority workers laid off or recalled on a seasonal basis, in accordance with this Article by giving the worker's name, social security number, seniority date, job classification and date of recall or layoff. In all recall situations,
the Company shall furnish to the Ranch Committee a list containing the name and social security number of each worker recalled who actually reports for work. Grievances relating to this Section I shall be subject to the expedited grievance and arbitration procedure.

Seniority shall not be applied so as to displace (bump) any worker of the Company, except as provided in other Sections of this Article.

Failure of the grieving party to appeal to the Second Step within thirty calendar days shall waive the grievance.

H. THIRD STEP: If the parties cannot resolve the dispute in Step 1 or 2 above, the grievance shall be referred to the Permanent Arbitrator within thirty working days. If the Arbitrator shall at any time be unable or refuses or fails to act, or he or she vacates his or her position, the Company and the Union shall immediately select his or her successor or substitute.

I. The Arbitrator shall consider and decide the grievance(s) referred to him or her and in cases where more than one grievance is referred to arbitration, they will be heard at the same hearing. The Arbitrator shall not have the authority or jurisdiction to modify, detract from or alter any provision of this Agreement. The Arbitrator must render a decision in writing to the parties within fifteen days from the date of the closing of the hearing. The Arbitrator shall have access to Company's property if necessary.

J. Should either party fail or refuse to participate in any steps of the grievance machinery, the grieving party shall have the right to refer the matter to the Arbitrator immediately for his or her consideration in a formal hearing. Such hearing may be ex parte, i.e., with only one side present, provided that the Permanent Arbitrator may temporarily delay an ex parte hearing to permit immediate bona fide efforts to settle an issue without a hearing.

K. The decision of the Arbitrator shall be binding on the Company,
the Union, and the workers.

L. Decisions of the Arbitrator shall be in writing, signed and delivered to the respective parties. All expenses and salaries of the Arbitrator shall be paid by the losing party. The parties will make a good faith effort to agree on a list of arbitrators. In the event they are unable to agree, not later than fifteen days after the need for such a list arises, if requested by either the Company or the Union, a panel of eleven arbitrators shall be requested from either the American Arbitration Association or the Federal Mediation and Conciliation Service.

After receipt of the lists the parties shall meet to select an arbitrator for each grievance. If the parties cannot agree upon the selection of an arbitrator then they shall turn to the lists of arbitrators received under procedures of the above paragraph. The party to strike first shall be selected by a coin toss. That party shall strike the first name from each list. The name remaining after each party has struck five shall be the person designated as arbitrator for the particular grievance. Every six months either party may request a new list of arbitrators and require a new meeting as discussed in this paragraph to select a new arbitrator.

O. In the event that any grievance causes a work interruption of any kind, the parties agree to make an immediate joint effort to end such interruption which may include contacting an arbitrator. The arbitrator shall order an end to such interruption, personally, if possible, or by telephone, and shall immediately attempt to resolve the grievance. Such action in no way alters the obligation or liability of either party under this Agreement.
P. The grieving party may invoke an expedited procedure to have unresolved grievances immediately heard before the Arbitrator, but in any event not later than two calendar days (other than Sundays) after the day on which the grieving party notified in writing the other party that the grievance must be expedited. The parties agree to meet in the time between notification of the invocation of the expedited procedure and the hearing before the arbitrator in an attempt to resolve the grievance. The duties and the authority of the Arbitrator shall be the same as under Section I above.
